Re: The Shepherds' Trust Collection – November 16/17

As members of our Catholic community, we regularly benefit from the tireless service of our priests. They have been instruments in living out a "faith in action." Called by God and ordained to care for His people, our priests serve our families, in churches, schools, hospitals, nursing homes, missions and on the streets. The Shepherds' Trust supports our priests to help them live their retirement years with dignity.

The Shepherds' Trust collection this year will take place in all parishes in the Archdiocese during the weekend of November 16-17.

As well, please consider remembering The Shepherds' Trust in your will.

This trust fund is a tangible way to care for those who cared for us and to give thanks for the blessings we have received through them. Your generosity is greatly appreciated.

DOCTRINAL CORNER

Would killing a human conceived in a test tube still be considered murder?

Humans cannot create life. Just because humans have arranged the way the child is conceived, it does not mean that it is not God who created the baby. As with conception in the womb, God still provides the soul as well as the body. Only God can create a soul, which is the life principle of the body. So no matter how a human being comes into existence, God is always its creator. Certainly to kill such a person is to take innocent human life, which is always a grave sin.

Our God is a God of the living not of the dead. Have you had an experience of this living God and want to share it with others? You may be called to the priesthood or religious life.

If you think God is calling you to be a priest, religious or deacon, contact Fr. Chris Lemieux, Vocation Director, Archdiocese of Toronto 416-968-0997
Email: vocations@archtoronto.org
